_____ Meals _____ Other (please specify request below - add additional sheets if necessary)

Homeowner Signature

Date

*The Stroh Ranch Angels Committee wants to promote community spirit and helpfulness. We have agreed our mission is to assist neighbors on a temporary basis to help maintain the community's value of high quality living as well as the property value of each of our homeowners. If you know of a neighbor who is struggling with a health condition or other crisis where we can assist by helping to **temporarily** maintain the property, such as mowing, shoveling snow, other landscape or home maintenance, housecleaning, or providing a good meal, please contact us by email at corpoffice@pcms.net or by calling PCMS at 303-224-0004 ext. 300. Sometimes your neighbors are too proud to ask for this assistance so we would appreciate your sponsorship of these individuals. That doesn't mean that if you need our help you can't contact us directly at the above. If you want to volunteer to help a neighbor in these situations, please contact us as well. We will provide the required certification to High School students so they can meet their community service requirements.*

*Please send your completed form and additional information (if applicable) to one of the following:
Email: corpoffice@pcms.net Fax: 303-224-0002 Mail: 7208 S. Tucson Way #125 Centennial, CO 80112.*
