

**COLLIERS HILL MASTER ASSOCIATION, INC.
ANNUAL MEMBERSHIP/BUDGET RATIFICATION MEETING MINUTES
FEBRUARY 21, 2019**

CALL TO ORDER

Notice was given to all members in accordance with the Bylaws of the Association and a quorum was established. Mark L. Eames of PCMS was in attendance and by authorization of the Vice-President of the Board of Directors, Mr. Brock Chapman, called the meeting to order at 6:03 p.m.

APPROVAL OF THE 2018 ANNUAL MEETING MINUTES

Mr. Eames asked the homeowners in attendance to review the January 2018 Annual Meeting Minutes, if they had not already done so. Motion was made and seconded to approve the minutes as written and presented. The minutes were unanimously approved as presented.

2018 FINANCIAL REPORT AND 2019 BUDGET PRESENTATION AND RATIFICATION

Mark Eames reported on the financial condition of the Association as of December 31, 2018, and reviewed the process by State Statute as defined in the Association's governing documents regarding the required members to vote against a proposed budget presented to the members by the Board of Directors.

Mr. Eames noted that there were a couple of options for the members to consider regarding the potential ratification of the proposed budget as presented. Each member was provided a ballot when they signed in this evening to vote for the proposed budget, which that process could be utilized or if there were no members against the proposed budget and since the Association did not have enough members in attendance in person and/or proxy to formally vote against the proposed budget as provided in the governing documents, that a consent vote could be taken with a motion from the floor. With no further discussion, a motion was made, seconded and with no further public comment, unanimously passed by the members present in person and/or by proxy to approve the 2019 proposed budget. The assessment for the Association will remain the same as 2018 at \$96.00 per month.

COMMUNITY SERVICE CONTRACTOR UPDATES

Heather Mundy with the YMCA was in attendance to present an update on the facility, the 2019 pool season and this year's upcoming social events. Mr. Eames introduced Mike Hoefler with Environmental Designs, Inc. and two of his team members that were in attendance to whom have been selected by the Board of Directors as the Association's new landscape management team. Mr. Hoefler provided a detailed background regarding his company, services they provide and what programs they will be implementing this coming season to help improve the overall maintenance of the common tracts that have been turned over to the Association.

DEVELOPMENT PLAN UPDATES

Mr. Chapman provided the membership with a general update regarding the on-going development plans for the Colliers Hill Community. Mr. Chapman asked that if any of the members in attendance had any specific questions to please come see him after the meeting and that he would take down the inquiry and make sure a response was provided back to the member.
