

Crafts Club

Monthly Meetings 1st Tuesday

Looking for a relaxing space to work on your craft projects and meet like-minded neighbors?

Whether you enjoy quilting, crocheting, knitting, embroidery, or any other creative hobby, this club is for you! Bring your own supplies and projects to work on while socializing with others who love crafting too. This isn't a teaching class, so there's no instruction — just a friendly group of crafters sharing good company.

Don't forget to bring a refreshment to share as we create, chat, and connect!
