Ridge House Hours

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
4pm-8pm	4pm-8pm	4pm-8pm	10am-2pm	1pm-5pm	11am-4pm	11am-4pm

Fitness Classes

Tuesday & Wednesday at 5pm: ZUMBA

Thursday at 11am: BUTTS & GUTS

Community Memorial Day Event:

Stop by the Ridge House on Memorial Day May 25th from 11am – 1pm for a sweet treat and some fun!

2026 Summer Employment as a Lifeguard at the Ridge House:

We are still hiring lifeguards! Join the Front Range Team and make your splash as a lifeguard this summer. No experience required. We provide free certification classes, less the \$55 registration fee. Make new friends and meet new people while working at the Ridge House pool. Don't wait, apply today! <https://form.jotform.com/252996633771067>

Founder's Village Summer/Pool Access

Summer will be here before we know it! All residents must complete an address verification prior to receiving the registration link for the access system. Stop in at the Ridge House with proof of residency (driver's license, utility bill, lease, mortgage statement, etc.) and we will provide you with the registration link. (If you have previously done this you do not need to do it again.) Current business hours at the Ridge House are:

Mon-Wed 4-8pm | Thurs 10am-2pm | Fri 1-5pm | Sat 11-4pm | Sun 11am-4pm

Email the Ridge House at fvrighthouse@gmail.com or call us at 720-733-2778 with any questions.

Founders Village Community Garage Sale

Friday and Saturday –
May 29th and May 30th | 8am – 2pm

“No Knock” stickers are
available to pick up by all
Founders Residents from
Ridge House.

The Covenant Corner

Spring has arrived, now is the time to start thinking about “spring cleaning” for all lawn and landscape tasks. May is the best time of year to start clearing debris, removing dead branches from trees and shrubs, begin mowing, and any General Maintenance. Spring is also a good time to check that your sprinklers are in good working order before summer, along with raking, aeration, lawn fertilization, and weed control.

Please take a moment to check the Community Covenants, Guidelines, and any Resolutions for the Landscape requirements.

As a reminder, General routine upkeep and weekly maintenance such as bed weeding (the definition of a weed is: a plant held to have no value, especially one growing plentifully and detrimentally in a garden, lawn or bed area), fertilizing, regular mowing, pruning, trimming, and a review of your water management program, etc. The Association would appreciate your attention in taking a look at your yard and having any necessary routine maintenance completed.

<https://foundersmasterhoa.com/>

Architectural Answers

This month's focus is on sheds, play structures/trampolines, and hot tubs. If considering installing a shed for lawn equipment or storing seasonal décor, adding a play structure or trampoline, or installing a hot tub, these improvements are permitted.

However, all of these items require prior approval and must comply with applicable size and setback requirements. These guidelines can be found in the Founders AC Guidelines available on the community website at www.FoundersMasterHOA.com.

When submitting for approval, please include a completed application, site plan, and supporting images. For additional details or questions, please contact DesignReview@pcms.net directly.

Application Review Procedure of the Architectural Control Committee (ACC)

The ACC has established a process for the receipt, review and response of all design review requests. The ACC will schedule and convene meetings as necessary to review homeowner applications submitted to the management company, PCS. **The ACC will do their best to provide responses to all request within 5-7 business days, from the date a request is checked in. However, please note that while the ACC tries to adhere to the noted turnaround time, per the Guidelines they have 45 days to review requests.**

Once a response has been provided, a response letter may be emailed to the email address noted on the submittal form and will also be available by logging into the previous CINCWeb Axis homeowner portal at pcms.cincwebaxis.com.

The Accounting Spotlight

This is a reminder for homeowners to register for an account on the Vantaca payment portal, which has been in place since March 2025. Please register as soon as possible to ensure your payments are properly processed and applied.

Assessment Details

Single-Family Homes (not in Fillings 11 & 12):

The Association's semi-annual assessment is **\$110.00**, due:

- January 1st
- July 1st

Homes in Filling 11 & 12 (those with alleyways):

The Association's assessment is **\$152.00**, due:

- January 1st
- July 1st

Important Information: Any previous autopay arrangements prior to March 2025 were discontinued. You will need to re-enroll through the new portal to continue automatic payments.

How to Register: To register, please follow the prompts on the site:

- Visit: www.FoundersMasterHOA.com
- Click “Sign Up”
- Select “Don't have an account number & registration key?”
- Submit a login request

Note: You do not need your new account number to begin the registration process.

Please allow up to **3 business days** to receive your information and submit only one request at a time.

We appreciate your prompt attention and your continued support of the Founders Village community.

2026 Board Meeting Schedule:

Please email Corpoffice@pcms.net if you would like confirmation of the Zoom meeting login details. Be sure to include the address of the property you own when requesting this information.

- May 21, 2026-6:00 PM
- August 20, 2026-6:00 PM
- November 19, 2026-6:00 PM-Annual Membership & Budget Ratification Meetings-Please refer to the annual notice, which will be mailed to all homeowners of record, for detailed information, including login details and instructions. This notice will be sent approximately 30 days prior to the meeting date.

For the most up-to-date meeting information, please visit the community website at: www.FoundersMasterHOA.com.

Facts and Myths about Soil Amendments

If you've gardened in the Front Range before, you know the challenges of Colorado's soil. New residents voice surprise and concern about the difficulties in gardening in our typical soils, which is often slightly alkaline clay soil. Clay consists of small particles, making it sticky and gummy. The soils in newer developments are frequently low in organic matter, and often compacted too. What is a gardener to do?

A soil amendment is a material mixed into the soil to improve soil properties or plant growth. When selecting an amendment, decide what you want it to do; that is, ask yourself what is lacking in your soil. (And don't guess—get a soil test!) Do you need to add organic matter?

If organic matter is warranted, most perennial gardens do well with a single amendment before planting begins, but vegetable gardens and annual flowerbeds may benefit from more frequent applications, up to once a year.

Soil amendments containing organic matter can help bind fine clay soil into aggregates to improve water and air movement throughout the soil. Soil compaction, which restricts water and air movement, is common in clay soil and is the greatest challenge facing Front-Range gardeners. Beware of amendments heavy in salts, like manure; too much salt can harm your plants.

Some examples of organic soil amendments include peat moss, coconut coir, wood chips, grass clippings, leaves, straw, compost, manure and other biosolids. (Be judicious in the peat moss you select since it is generally not considered a renewable resource because it takes thousands of years to form). Organic matter feeds microorganisms, which break down organic matter into compounds that can be used by your plant, and which also attract arthropods and earthworms, both of which excrete binding substances that help create soil aggregates. You can use amendments readily available to you, such as your fall leaves, or you can purchase organic materials from local stores.

It may not be practical to amend the soil in large gardens or in gardens that have already been planted with perennials, shrubs, and trees. In this case, a top dressing of organic matter can be applied. Top dressing also benefits microorganisms and can improve soil health.

The hope to speed up nature's processes by dumping large amounts of organic matter in your garden can be counterproductive. Too much organic matter in a single season can lead to problems, such as high salts or micronutrient imbalances. Similarly, filling planting holes with organic matter like compost can be counterproductive. The roots should be encouraged to radiate outward to maximize take-up of water and nutrients, but compost in a planting hole may encourage roots to stay put, circling around the plant rather than radiating away.

As experienced gardeners know, the axiom "right plant, right place" is one of the most important decisions in selecting plants for your garden. Since you cannot change the nature of your soil, it will be easier on your emotional well-being and your pocketbook to select a plant to match the conditions of your soil than try to change your soil to match a plant!

For more information about soil amendments, visit <https://extension.colostate.edu/resource/choosing-a-soil-amendment/>

Brought to you by the Colorado State University Master Gardeners of Douglas County

Welcome to the Castle Rock Water monthly newsletter specifically geared toward homeowners associations, with information for property managers, boards of directors and HOA residents.

Also, find [HOA water-related guidelines, specs and tips at CRconserve.com](http://CRconserve.com).

Drought restrictions and HOAs

While Castle Rock has a strong water supply portfolio, the immediate availability of renewable water supplies is over-burdened and drought stages are likely to be initiated in May. **Conservation is the easiest and least expensive method to manage drought conditions.**

Lenient violation request

Drought restrictions for residents target reducing irrigation to landscapes in Stage 1 and moving to a twice-a-week watering schedule in Stage 2. Castle Rock Water requests that HOAs be lenient in issuing violations for brown grass when drought restrictions are in place.

Conservation suggestions for HOA common spaces

At Drought Stage 1, anticipated to be declared in late May, Castle Rock Water will request all customers reduce water use by 10%. This is most easily accomplished by reducing outdoor irrigation. At Stage 2, mandatory watering schedules will reduce irrigation to twice a week with a target of 25% water savings.

HOA water use represents a significant portion of the Town's summer water consumption. Castle Rock Water provides the following conservation recommendations for HOA irrigation practices.

1. For nonfunctional areas with traditional turfgrass, where people and pets do not walk and play, turn off all irrigation (or reduce to once-a-month watering). Kentucky Bluegrass is extremely resilient to drought conditions, and most of it will survive until the next season. However, this stressed grass should not be walked on or even mowed. Grass areas next to sidewalks and along roads are typical nonfunctional spaces.
2. For areas that get regular play, for instance, next to playgrounds, it is recommended to maintain some irrigation.
3. Do not mow grass shorter than 3 inches. Longer grass keeps moisture in the plant blade, as well as helps keep the soil moist.
4. Maintain irrigation to trees and shrubs. These items are harder to replace if they die, and they also help provide shade and retain soil moisture for surrounding plant material.
5. Be diligent in maintaining prescribed watering schedules, water waste prevention and irrigation maintenance.

For drought considerations, don't water nonfunctional grass areas like those along roads and sidewalks.

May 11 to 18 irrigation allowances

On May 11, Castle Rock Water will transition back to using chloramine as the disinfectant in our distribution system. As part of this change, we will flush out any remaining free chlorine in the system.

To support this process — and to make beneficial use of the flushed water — large irrigators will be allowed to operate outside the standard three-day-per-week watering schedule during this period. From May 11 through May 18, HOAs may irrigate on any day, while still adhering to the permitted hours of 12 to 8 a.m. As always, water waste is not allowed.

Castle Rock Water has already coordinated with many of your landscape contractors to make the necessary arrangements.

Gearing up for ColoradoScape retrofit season!

As residents begin their projects for retrofitting their landscapes to be more water-wise, Castle Rock Water has some resources to share. Conservation is key, but the goal is curb appeal.

Complaint Procedure

Who May Submit Complaints? Complaints regarding alleged violations of the Covenants, Design Guidelines or Rules and Regulations may be reported by members of the Board of Directors, members of the Community or the Association's Manager.

How Complaints Should Be Submitted. Complaints by a member of the community shall be in writing and must include a contact name and email address or phone number in case there is an inquiry from the Board or management office regarding the complaint submitted. Anonymous complaints will not be accepted. Your name and contact information will not be provided to the person you have made a complaint about; it is only needed for the management team. The member must have observed the alleged violation and shall contain the nature of the alleged violation, the location of the alleged violation and the date it was observed, photos are very helpful. A complaint may also be submitted by any member of the Board of Directors or by the Association Manager after a walk through or inspection of the Community.

You may send your concerns to PCS via email at support@pcms.net

Recycling Guidelines

Trash carts must be out at 7am until 7pm | Trash Pick-up on Thursdays* highlighted | Recycling every other week

720.547.8600 • hbstrash.com

Trash/Recycling Update:

HBS Trash pickup times do not occur at the same time each day and operate 7:00 AM – 7:00 PM. Because of this, if residents contact our office, we may not immediately know if a pickup is delayed earlier in the afternoon. The best way to stay informed is to sign up for notifications from HBS Trash for your address here: <https://forms.gle/Mqgnw2VPY6SX3f7E6>. To ensure these notifications do not go to your junk folder, please add postmaster@hbstrash.com to your contacts. Pickups may be delayed due to hazardous materials in containers, such as motor oil, which require the truck to halt for safe cleanup, extra pickups, including this year's heavy leaf volume, which causes trucks to fill faster and requires additional trucks, or weather conditions.

Please

Empty and rinse all containers

Place recyclables loose and unbagged in your curbside recycling container

Flatten all cardboard and paperboard boxes

Place your recycling container 4 feet from parked cars and other obstacles

All of the following items can be recycled in your curbside bin!

PLEASE

- Empty and rinse all containers
- Place recyclables loose and unbagged in your curbside recycling container
- Flatten all cardboard and paperboard boxes
- Place your recycling container 4 feet from parked cars and other obstacles

NO

- GARBAGE
- PLASTIC BAGS
- PLASTIC FILM
- STYROFOAM®

RECYCLING GUIDELINES

For the health and safety of our workers, please make sure all recyclable materials in your curbside bins are washed out and clean and follow the below guidelines.

ACCEPTABLE RECYCLING ITEMS

What items CAN be recycled?

Paper

Mixed paper | Newspapers, magazines, and catalogs | Cardboard
Cartons | Paperboard | Phonebooks and paperback books

Plastics

Rigid plastic | Bottles and containers | Plastics #1-7

NO FOOD RESIDUE, NO PLASTIC BAGS, NO STYROFOAM, NO HARD PLASTIC ITEMS- TOYS, PVC PIPE, FLOWER POTS, ETC.

Metals

Aluminum cans, foil, and pie plates | Steel cans
Loose metal jar lids and bottle caps

Glass NO FOOD RESIDUE

We are now accepting clean and washed out glass in your curbside recycling bin.

NOT ACCEPTABLE RECYCLING ITEMS

What items CAN NOT be recycled?

Please **DO NOT** place the following products in your curbside recycling container.
NO GARBAGE | NO PLASTIC BAGS | NO PLASTIC FILM | NO STYROFOAM®

NO PLASTIC BAGS OR FILM: We cannot accept plastic bags in your curbside recycling bin. Plastic bags can be recycled at most local grocery stores.

NO NON-RECYCLABLE PLASTICS: We accept plastics #1-7 but there are some plastics that are not recyclable. These products include Styrofoam, hard plastic items including toys, plastic chairs, flower pots, PVC pipes and any other plastic products that are not listed in these guidelines.

NO LIQUIDS OR FOOD RESIDUE: Please completely empty and rinse out all containers before recycling.

NO CERAMICS OR OTHER GLASS PRODUCTS: Do not place glass, ceramics, china, dishes, mirrors, light bulbs, Pyrex, porcelain, or window glass in your curbside recycling container.

NO SCRAP METAL: Do not place scrap metal items of any size in your curbside recycling container.

NO ELECTRONICS: Do not place electronic devices in your curbside recycling container.

NO HAZARDOUS WASTE: We do not accept hazardous waste such as oil-based paint, automotive fluids, car batteries, fertilizers or pesticides. Latex paint recycling locations can be found on PaintCare.org.
